

Cane

Riccardo Nannini a.k.a. Cane (Italy, 1980) is a lowbrow artist based in Barcelona, Spain. He starts his artistic production in 2014.

Since the first works, characterized by a strong punk aesthetic, Cane has recently mixed up his story-telling ability with a much elaborated artistic work; moreover, his influences comes from a variety of artists and backgrounds: from italian comic's masters Andrea Pazienza and Benito Jacovitti through the flemish painters Bosch and Bruegel and the new contemporary scene. Represented by 19Karen Gallery (Melbourne, Australia) and Ting Ting Art Space (Taipei, Taiwan) For any inquire write to info@theartofcane.es
